Celebrate World Gin Day with the Spirit of Canberra, Underground Spirits, at Kokomo's

Gin Gin! Did you know it's World Gin Day next Saturday 8th June? And what better way to celebrate than with the spirit of Canberra, [Underground Spirits](#).

"World Gin Day is the day we celebrate just how GINteresting gin can be. It's the global celebration of all things gin. A day for people all around the world to get a little GINdulgent, and enjoy their favourite gin – whether it's neat, in a G&T, or in a cool cocktail," said Underground Spirits' co-owner and distiller, Claudia Roughley.

To celebrate World Gin Day Underground Spirits, Canberra's most awarded spirits brand and maker of premium small batch gin, will be joining the team at Kokomo's for a special gin event.

"We're feeling extra GINerous and will offer visitors to Kokomo's during our event free tastings of our Underground Spirits gins – so people can try both our Signature Gin and Shiraz and Pepperberry Gin," Claudia continued.

Underground Spirits are globally recognised, award-winning spirits made in Canberra. The brother/sister distiller team of Claudia Roughley and Toby Angstmann use a patented cryofiltration process, clean Snowy Mountains water, sustainably grown NSW wheat and native and local botanicals to create truly exquisite gin of premium quality. It is made by hand, in small batches.

Underground Spirits will be celebrating World Gin Day at Kokomo's, 1 Genge Street Canberra city, from 3.30 – 6.30pm on Saturday 8 June. For more information on Underground Spirits and to order, visit www.undergroundspirits.com.au
